

## **25.03 Hearing Conservation Policy**

### **1. Policy**

Powell County complies with the Hearing Conservation guidelines outlined in CFR 29 1910.95

### **11. Applicability**

All County worksites and facilities

#### **111. Policy/Procedures**

This policy addresses the minimization of occupational hearing loss in county employees by providing hearing protection, training and annual hearing tests to all employees working in areas or with equipment that have noise levels equal to or exceeding an eight hour time-weighted average sound limit of 85 dBA.

Powell County will abide by its written Hearing Conservation Plan as part of the Powell County Safety Program.
