Unfinished Business:

Koehler reported on the new employee safety orientation

New Business: Koehler reported that Powell County only had 3 reportable accidents for 2014, a huge improvement over previous years. The MaCo On-Track Safety Evaluation form was discussed; Brodie is going to help design a tracking form for follow up on near misses and reported hazards.

Some time was spent discussing the new list of high-risk JSA's. Road crews are going to concentrate on doing some of the more hazardous ones as soon as possible.

There was also some discussion on various medical facilities and thoughts about where to go when emergency help is needed, in order to expedite treatment.

There being no more business the meeting was adjourned at 11 am.

The next meeting will be March 4, 2015 at 10 a.m.

Respectfully submitted

Ruth Koehler
