Attendance

Old Business:

E911/Code Red contacts

Ruth reported that the list for the LEPC has been handed into the Sheriff's Office and the LEPC group will be setup on the Code Red System

Hazmat Class-28 /ERG 2012

Ruth reported that nearly 30 people attended the ERG training, and it was very well received

New Business:

Guest Speaker Tony Bacino, Montana Rail Link gave a presentation on oil and other hazardous materials carried on the railroad, particularly the Bakken Oil and the issues with it. It was very interesting. MRL will be setting up some training for the Garrison Fire Department in the near future.
