REQUESTS FOR PROPOSALS
ENGINEERING AND/OR GRANT ADMINISTRATION SERVICES**

The Powell County Commission is soliciting proposals to hire a firm to provide general engineering and/or grant administration services for various designated and undesignated public works projects within the Powell County jurisdictional area. The County will utilize the selected firm to serve as an on-call County Engineer for a seven year period for all professional engineering, planning and/or grant administration related activities associated with but not limited to roads, bridges, trails, parks, water, wastewater, solid waste, subdivision plat and sanitarian reviews, site development, environmental reviews, permitting, miscellaneous public works projects, etc. Desired services may include the following: land use planning, capital improvements, growth policy updates, preliminary engineering, final design, surveying, construction administration, inspection work, grant writing and/or grant administration. The agreement and payment terms will be negotiated with the selected offeror.

Section 3 of the Housing and Urban Development Act of 1968 requires recipients of CDBG funding, to the greatest extent feasible, extend to lower-income residents opportunities for training and employment that may arise projects. Further, to the fullest extent feasible, the consultants and contractors selected to design, and construction public facilities projects will utilize businesses located in or substantially owned by residents of Powell County.

Copies of the detailed request for proposals (RFP), including a description of the services to be provided by respondents, the minimum content of responses, and the factors to be used to evaluate the responses can be obtained by contacting the Powell County Clerk & Recorder, 409 Missouri Ave Suite 203, Deer Lodge, MT 59722. All responses must be received by 2:00 p.m. on Nov. 17, 2023.
