- Once approved you will receive a letter of address reassignment from our office documenting your unique, locatable physical address. The address you have received is based on Powell County's rural addressing system.
- Please provide a copy of the address assignment letter to your local Post office before you begin using your new physical address – failure to do so may affect proper delivery of your mail. Remember, P.O. Box mailing addresses do not change. If you have a P.O. Box mailing address, this new address is simply a physical address, but please notify your local Post office anyway.
- Please also provide copies of the address assignment letter to utility companies (power, telephone, propane, etc.) or local government agencies (Driver's License, Assessor, Voter Registration, etc.) "As proof of address."
