# Introduction: Plan Basics

State Date	8/22/2021 21:01
End Date	8/22/2021 21:36
Recorded Date	8/22/2021 21:36
Response ID	R_1OwbTK3aEqSPBLA
County	Powell
District	Garrison Elem, LE0718
Submitter Name	Suzanne Smith
Submitter Role	Other (Please identify your role in the box below.)
	Clerk
Submitter Official Email	garrisonclerk@hotmail.com
Submitter Phone	
Initial or Revised Plan	Initial Plan Submission

# Section 1 - School District Identified Priorities

## Priority 1

Address student learning loss by providing an after-school and summer school program

## Priority 2

Address learning loss by providing new reading curriculum that better aligns with the common core state standards in ELA as well as remedial learning resources for certain students

## Priority 3

Address past and future potential issues caused by remote learning by purchasing technology for staff and students to use off-site or in the classroom. Plan to address social-emotional deficit caused by COVID by installing new playground equipment. Updating and improving the bathroom is also a priority to reduce the spread of disease.

## Data Points Used to Identify Priorities

Smarter Balanced scores, MAP scores, attendance, technology available at home (determined by survey)

## Student Groups Most Affected

Student groups specifically referenced in ARP ESSER were more affected than others in this district.

Student Group	More affected than others in this district
Economically Disadvantaged (Free and Reduced Lunch)	Yes
White	Yes
Black or African American	Yes
American Indian or Alaska Native	
Multi-Racial	
Migrant	
Homeless	
Foster Youth	
Children with Disabilities	Yes

Male	Yes
Female	Yes
English Language Learners	
Other (please identify in the box below)	

## Section 2 - Meaningful Consultation

### Stakeholders Consulted in Development of Plan

Stakeholder Group	Consulted?
Parents	Yes
Students	Yes
Teachers	Yes
Staff	Yes
Tribal Governments	
Local Bargaining Units	
Educational Advocacy Organizations	
County Health Departments	Yes
Community Members	Yes
Other (please identify in the box below)	

### Methods used to seek stakeholder input

Methods	Used?
Webinars	
Public Meetings	Yes
Website	
Media	
Social Media	
Email	Yes
Other (please identify in the box below)	

--	--

## Section 3: Goals

### Instruments

Instruments or methods that will be used to monitor the progress of the goals and determine if the goals are met are listed here for each goal.

Math Goal	Our math goal will be to have students score at the proficient level on the Smarter Balanced test or raise their scores by 25 points on the summative assessment (for grades 3-6). Additionally, our goal is to raise their score to the 50th percentile or exceed their projected growth on the MAP test (for grades K-2). All students receive MAP baseline scores in August, and all students will receive MAP score results in January.
ELA Goal	Our ELA goal will be to have students score at the proficient level on the Smarter Balanced test or raise their scores by 25 points on the summative assessment (for grades 3-6). Additionally, our goal is to raise their score to the 50th percentile or exceed their projected growth on the MAP test (for grades K-2). All students receive MAP baseline scores in August, and all students will receive MAP score results in January.
Other Goal	Another goal is to provide new curriculum in reading and updated technology for students and staff in order to assist with distance learning and keeping students and families engaged in the event of another shut-down. A social-emotional goal is to have students interact with each other in positive ways, in the classroom and at recess.

### Goals

For each goal find the following below:

- Identify what strategies/action steps will be used to support the achievement of the goals.
- Describe a realistic and achievable timeline to achieve the goals.
- Identify who is responsible to ensure the strategies/action steps are achieved. Click the box and provide the text response for each applicable box.

Math Goal	Our math strategy is to teach, either in person or through distance learning, our Math curriculum (Everyday Math) to our students. We will also provide after-school and summer school programs with a math component individualized to each student's needs. The after-school component will be implemented by October 2021. Each teacher will be available at least one day a week for this after-school program. We also have a paraprofessional who will see students who are identified as struggling in Math to use a companion math program. We will be seeking an alternative research-based, common core-aligned companion program for struggling students.
ELA Goal	Our ELA strategy is to teach, either in person or through distance learning, our ELA curriculum

	(Journeys) to our students. We will also provide after-school and summer school programs with an ELA component individualized to each student's needs. The after-school component will be implemented by October 2021. Each teacher will be available at least one day a week for this after-school program. We also have a paraprofessional who will see students who are identified as struggling in ELA to use a companion ELA program. We will be seeking a new ELA curriculum for use during the 2022-2023 school year that is research-based and better aligned with common core standards. We use Reading Mastery, Spelling Mastery and Horizons Language Arts with our paraprofessional. We also plan to update those programs.
Other Goal	We plan to purchase technology to enable teachers to have access to better technology solutions for distance learning as well as in-school instruction. The goal is to have this technology implemented by November 2021. Wi-fi hotspots will be provided to students who do not have internet access at home. In order to address social-emotional deficits, new playground equipment will be installed.

## Student Group Goals

For which of the following student groups does the district have a distinct Math Goal, ELA Goal, or Other Goal?

Student Group	Distinct Math Goal	Distinct ELA Goal	Distinct Other Goal
American Indian or Alaska Native			
Black or African American	Yes	Yes	Yes
Hispanic			
Multi-Racial			
White	Yes	Yes	Yes
Free and Reduced Lunch	Yes	Yes	Yes
Homeless			
Students with Disabilities	Yes	Yes	Yes
None			

### Math Goal for Each Identified Student Group

Our Math goal will be to have students score at the proficient level on the Smarter Balanced test or raise their scores by 25 points on the summative assessment (for grades 3-6). Additionally, our goal is to raise their score to the 50th

percentile or exceed their projected growth on the MAP test (for grades K-2). All students receive MAP baseline scores in August, and all students will receive MAP score results in January.

#### ELA Goal for Each Identified Student Group

Our ELA goal will be to have students score at the proficient level on the Smarter Balanced test or raise their scores by 25 points on the summative assessment (for grades 3-6). Additionally, our goal is to raise their score to the 50th percentile or exceed their projected growth on the MAP test (for grades K-2). All students receive MAP baseline scores in August, and all students will receive MAP score results in January.

#### Other Goal for Each Identified Student Group

Another goal is to provide new curriculum in reading and updated technology for students and staff in order to assist with distance learning and keeping students and families engaged in the event of another shut-down. A social-emotional goal is to have students interact with each other in positive ways, in the classroom and at recess.

If the District is planning to develop or use approaches that are novel to achieve your Math, ELA, or other goal, and they are willing to share these innovations, the innovation is described here.

# Section 4: Coordinating Funds

Will this district coordinate ARP ESSER funds with other federal funds to address student needs?

Yes
-----

Funding Source	Plan to Coordinate with ARP-ESSER Funds
Title I, Part A of the ESEA (Improving Basic Programs Operated by LEAs)	Yes
Title I, Part A-section 1003 school improvement (Comprehensive and Targeted Supports)	
Title I, Part C of the ESEA (Education of Migratory Children)	
Title I, Part D, Subpart 1 of the ESEA (Prevention and Intervention Programs for Children and Youth Who Are Neglected, Delinquent, or At Risk)	
Title II, Part A of the ESEA (Supporting Effective Instruction)	
Title III, Part A of the ESEA (English Language Acquisition, Language Enhancement, and Academic Achievement)	
Title IV, Part A of the ESEA (Student Support and Academic Enrichment Grants)	
Title IV, Part B of the ESEA (21st Century Community Learning Centers)	
Title V, Part B, Subpart 2 of the ESEA (Rural and Low-Income School Program)	
McKinney-Vento Education for Homeless Children and Youth Program and section 2001(b)(1) of the ARP Act	
Carl D. Perkins Act Career and Technical Education Act	
IDEA, Part B (Excess costs of providing FAPE)	
IDEA, Part B (Coordinated Early Intervening Services)	
Workforce Innovation and Opportunity Act	

# Section 5: Creating a Safe and Healthy Learning Environment

This section addresses the Prevention and/or Mitigation Strategies that the district will fund with ARP ESSER funds..

Evidence Based Practice	Planning to Use
Mental health supports	
Social emotional learning	Yes
Academic support	Yes
Extended learning/enrichment	Yes
Hiring new staff and avoiding layoffs	Yes
Meeting the nutritional needs of underserved students.	
Locating absent students and re-engaging disconnected youth	
Providing safe, healthy, inclusive learning environments.	Yes
Activities to address the unique needs of at-risk populations.	Yes
Developing and implementing procedures and systems to improve the preparedness and response efforts	
Training and professional development for staff of the local educational agency on sanitation and minimizing the spread of infectious diseases	
Purchasing supplies to sanitize and clean the facilities	Yes
Planning for, coordinating, and implementing activities during long-term closures, including providing meals to eligible students, providing technology for online learning to all students, providing guidance for carrying out requirements under the Individuals with Disabilities Education Act and ensuring other educational services can continue to be provided consistent with all Federal, State, and local requirements.	Yes
Purchasing educational technology (including hardware, software, and connectivity) that aids in regular and substantive educational interaction between students and their classroom instructors including low-income students and children with disabilities, which may include assistive technology or adaptive equipment.	Yes
School facility repairs and improvements to enable operation of schools to reduce risk of virus transmission and exposure to environmental health hazards, and to support student health needs.	Yes

<p>Inspection, testing, maintenance, repair, replacement, and upgrade projects to improve the indoor air quality in school facilities, including mechanical and nonmechanical heating, ventilation, and air conditioning systems, filtering, purification and other air cleaning, fans, control systems, and window and door repair and replacement</p>			
<p>Other (please identify in the box below)</p>	<table border="1"> <tr> <td data-bbox="1182 331 1531 443"></td> </tr> <tr> <td data-bbox="1182 443 1531 556"></td> </tr> </table>		

If the District is planning to develop or use approaches that are novel to implement prevention and mitigation strategies, and they are willing to share these innovations, the innovation is described here.

--

# Section 6: Addressing Lost Instructional Time

## 20% Set Aside

This section addresses the Evidence Based Practices that the district will fund with the required 20% to address lost instructional time.

Evidence Based Practice	Planning to Use
Extended learning time	Yes
Tribal/community engagement	
Wraparound academic/health/social services	
SEL learning supports	Yes
Evidenced-based curriculum	Yes
Accelerating learning through instructional approaches: In-school acceleration-Certified educators provide support for students within the classroom and grade-level work, using high-quality instructional materials, instructional strategies, and formative assessments.	Yes
Accelerating learning through instructional approaches: Tutoring program-High-dosage tutoring provided consistently by well-trained tutors or educators at least 3 days per week for at least 30 minutes at a time in groups of five or fewer students.	
Accelerating learning through instructional approaches: Out-of-school time programs- Identified students, needing additional support before, and after the regular school days, as well as on weekends, and during school breaks.	Yes
Accelerating learning through instructional approaches: Summer learning and enrichment: Summer learning programs, camps, community partnerships, work-based learning or community service that provide high-quality instruction and are designed to meet the social and emotional needs of students through engaging and enriching experiences.	Yes
Access to and effective use of technology	Yes
Engaging families in digital learning training and effectively using technology and platforms	Yes
Administering and using high-quality assessments that are valid and reliable, to accurately assess students'™ academic progress and assist educators in meeting students'™ academic needs, including through differentiating instruction	Yes
Providing information and assistance to parents and families on how they can effectively support students	Yes
Tracking student attendance and improving student engagement provided by the school	Yes

Using data about students opportunity to learn indicators to help target resources and support	
Professional Learning Communities	
Access to advanced coursework, dual enrollment, work-place learning, and/or internships	
Career, Technical, and Agricultural Education expenses (approved under Perkins Act)	
Distance/Remote Learning: connectivity (hot spots, outfitting buildings/buses with WiFi, other wireless, internet service, etc.), devices (laptops, tablets, etc.), printing costs for learning packets, instructional resources/tools, hardware, software, subscriptions, licenses, assistive technology or adaptive equipment, online learning platforms/learning management systems, other distance/remote learning costs	Yes
Other (please identify in the box below)	

## 80% Set Aside

This section addresses the Evidence Based Practices that the district will fund with the remaining 80%. Allowable uses for this funding includes preventing, preparing for, and responding to COVID-19 as required by ESSER I, II, and III. See page 5 of the ARP ESSER Fact Sheet for more information.

Evidence Based Practice	Planning to Use
Extended learning time	Yes
Tribal/community engagement	
Wraparound academic/health/social services	
SEL learning supports	Yes
Evidenced-based curriculum	Yes
Accelerating learning through instructional approaches: In-school acceleration-Certified educators provide support for students within the classroom and grade-level work, using high-quality instructional materials, instructional strategies, and formative assessments.	Yes
Accelerating learning through instructional approaches: Tutoring program-High-dosage tutoring provided consistently by well-trained tutors or educators at least 3 days per week for at least 30 minutes at a time in groups of five or fewer students.	
Accelerating learning through instructional approaches: Out-of-school time programs- Identified students, needing additional support before, and after the regular school days, as well as on weekends, and during school breaks.	Yes
Accelerating learning through instructional approaches: Summer learning and enrichment: Summer learning programs, camps, community partnerships, work-based learning or community service that provide high-quality instruction and are designed to meet the social and emotional needs of students through engaging and enriching experiences.	Yes
Access to and effective use of technology	Yes
Engaging families in digital learning training and effectively using technology and platforms	Yes
Administering and using high-quality assessments that are valid and reliable, to accurately assess students' academic progress and assist educators in meeting students' academic needs, including through differentiating instruction	Yes
Providing information and assistance to parents and families on how they can effectively support students	Yes
Tracking student attendance and improving student engagement provided by the school	Yes
Using data about students opportunity to learn indicators to help target resources and support	Yes

Professional Learning Communities	
Access to advanced coursework, dual enrollment, work-place learning, and/or internships	
Career, Technical, and Agricultural Education expenses (approved under Perkins Act)	
Distance/Remote Learning: connectivity (hot spots, outfitting buildings/buses with WiFi, other wireless, internet service, etc.), devices (laptops, tablets, etc.), printing costs for learning packets, instructional resources/tools, hardware, software, subscriptions, licenses, assistive technology or adaptive equipment, online learning platforms/learning management systems, other distance/remote learning costs	Yes

Developing and implementing procedures and systems to improve the preparedness and response efforts	
Training and professional development for staff of the local educational agency on sanitation and minimizing the spread of infectious diseases	
Purchasing supplies to sanitize and clean the facilities	Yes
Planning for, coordinating, and implementing activities during long-term closures, including providing meals to eligible students, providing technology for online learning to all students, providing guidance for carrying out requirements under the Individuals with Disabilities Education Act and ensuring other educational services can continue to be provided consistent with all Federal, State, and local requirements.	Yes
Purchasing educational technology (including hardware, software, and connectivity) that aids in regular and substantive educational interaction between students and their classroom instructors including low-income students and children with disabilities, which may include assistive technology or adaptive equipment.	Yes
School facility repairs and improvements to enable operation of schools to reduce risk of virus transmission and exposure to environmental health hazards, and to support student health needs.	Yes
Inspection, testing, maintenance, repair, replacement, and upgrade projects to improve the indoor air quality in school facilities, including mechanical and nonmechanical heating, ventilation, and air conditioning systems, filtering, purification and other air	

cleaning, fans, control systems, and window and door repair and replacement.	
Other (please identify in the box below)	

If the District is planning to develop or use approaches that are novel to address lost instructional time, and they are willing to share these innovations, the innovation is described here.

--

# Section 7: Supporting the Educator Workforce

How ARP funds will be used to support and stabilize the educator workforce.

Option	Planning to Use
Cover costs of offsetting the need to furlough or reduce the salaries of school-based staff	Yes
Cover costs of bonuses for recruiting and retaining educators and support personnel	Yes
Additional pay for additional work	Yes
Class-size reduction	
Technology to support learning: enable students to learn anywhere and teachers to teach essential standards	Yes
Additional professional development for school leaders, teachers, and staff (trainings, extended professional development days, programs, etc.)	Yes
Staffing additional physical and mental health support staff (counselors, social workers)	
Other (please identify in the box below)	

The estimated number of jobs (FTEs) that have been or will be created by the school district through the district's planned use of ESSER III Funds.

0
---

The estimated number of jobs (FTEs) that have been or will be retained by the LEA through the LEA's planned use of ESSER III Funds.

2.5
-----

If the District is planning to develop or use approaches that are novel to support and stabilize the educator workforce, and they are willing to share these innovations, the innovation is described here.

--

# Section 8: District Monitoring of Impact

This section of the LEA plan outlines how the District will monitor the impact of the ARP ESSER funded interventions or strategies, including but not limited to the 20% set-aside, to respond effectively to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted.

## Description of Monitoring Plan

Smarter Balanced test scores, MAP test scores, attendance, and interaction/participation of students

Type of Data	Planning to Use
Early Warning System	
Interim Formative Assessment	Yes
Opportunities to Learn surveys	
Summative assessments	Yes
Chronic absenteeism	Yes
Student engagement	
Use of exclusionary discipline	
Advanced coursework	
Access to technology	Yes
Educator PD on technology	
Access to and preparation of high-quality educators	Yes
Access to mental health and nursing staff	
Student, parent, or educator surveys	
Per-pupil expenditures	
Classified and certified staff (numbers of positions or people)	
Summer, Afterschool, and ESY enrollment	Yes
Health protocols	
Student enrollment by Mode of instruction	
Student attendance by Mode of Instruction	

Other (please identify in the box below)
